Family Assistance Centers

To better serve you, we have established **Family Assistance Centers (FACs)**. Each FAC serves as a call center to assist you with any family-related issues. Friendly family representatives are available to attend to your needs. Whether you need information concerning medical benefits, legal assistance, community support or just someone to listen... Help is just a phone call away! We understand that all families do not reside in the city of the unit, therefore, please feel free to call your nearest FAC. In addition, you may call toll-free to access a FAC at 800-621-4136 enter the 4-digit extension when prompted. All FAC representatives are happy to assist, and they will frequently call to check on your well-being.
